- Markers, colored pencils, stamps, and ink pads for writing/decorating
- Scissors
- 1/4" Hole punch
- Small Clear bags - food safe
- Curling ribbon
- Graham crackers
- Chocolate bar
- Marshmallows
- Large Cello bag, mini basket, mason jar, etc. for making the "kit"

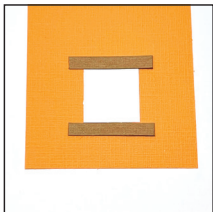

NOTE: You can also use pre-made tags

INSTRUCTIONS

1. Making the Tag -
Cut off the corners at an angle on one 3" side of the 3" x 5" cardstock; making sure the cuts are even on each side. Punch a hole in the middle of this trimmed end.

2. Assemble the paper "S'mores" to place on the tag.

Place one of the 1 1/2" x 1/4" light brown cardstock strips on the bottom. Center the 1" x 1" white cardstock on top. Lastly, place the other 1 1/2" x 1/4" light brown strip on top of that.

3. Take the 1 1/4" x 1" brown cardstock and cut a wavy design across to resemble the melted chocolate. Place on top of the white just below the top strip.

Cut a thinner wavy design from the brown cardstock and place on the bottom of the white above the light brown strip.

Glue pieces onto the tag.

4. Finishing the tag -
Use a black marker and draw two eyes and a smile onto the white "marshmallow" section.

Write or stamp a message on the tag. You can also write a sort S'mores recipe on the back of the tag, too.

Loop some cording /ribbon through the hole to use for tying the tag on.

5. Assemble the S'more kit -
- Place graham crackers in a bag and tie up with curling ribbon.

- Place some marshmallows in a bag and tie up.

- Break apart a large chocolate candy bar and place in a bag and tie up. Or you can just use the candy bar as is in the kit.

6. Place wrapped graham crackers, chocolate and bagged marshmallows into a jar, small basket or another clear bag.

Tie on tag.

Sample S'mores kit and plate of S'mores. Use as a gift or party favor.
