- Scissors
- 1-in. x 3-in. Cardstock for Message Strip
- Stamps or pens for writing message
- Embellishments – ribbon, stamped images, stickers, etc. to add to the witch hat

**NOTE:** The Accu Cut Die Cutting system is available for use at the HouseMart Ben Franklin Crafts stores. You can use the system for free when you purchase your paper from the stores. Most stores have the Pyramid Box #4 die available for cutting.

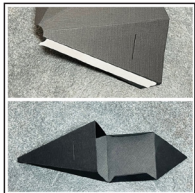

## INSTRUCTIONS

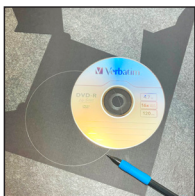

1. Use the Accu Cut die cutting machine and to cut out a Pyramid Box #4 from black cardstock.

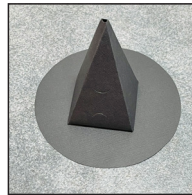

2. Fold and crease all the fold lines.

3. Add double stick tape to the end section.  
Fold and tape pyramid box together.

4. Trace around a DVD on the black cardstock. Cut out circle. You can also use a die or Cricut machine to cut out the circle.

5. Center and tape the pyramid box to the black circle.

The side with the semi-circle notches will be the front.

6. Write a message or name on the 1-in. x 3-in. strip. Slide the message strip between the notched tabs.

Decorate the message strip and the rest of the witch hat.

7. Open the bottom of the box and fill with treats.

8. You can also make other designs with the pyramid box like this Candy Corn. The Candy Corn layered the orange and white cardstocks on top of a yellow cardstock base.

You could also make it by using a white base and in blending the orange and yellow sections.
