HANDMADE HOLIDAYS

Magnetic Board

HANDMADE HOLIDAYS

SUPPLIES

- Decorative Paper
- Scissors
- Wood Clip with Magnets, 6 piece set (#30212117)
- Framed Board for Magnets, 22 in. x 10 in. (#30208951)
- Ribbon
- Floral to embellish
- Hot Glue Gun (#77536417)
- Glue Sticks (#30218031)

INSTRUCTIONS:

1. Trim Decorative paper to size. We covered just a portion of the magnetic board so it would create contrast and interest by exposing the metal background.
2. Attach the background paper with the magnets from the wooden clips. This makes it easy to change for each season.
3. Make a bow to decorate the corner. Attach using hot glue. You can embellish by adding floral.
