Dad's Shirt & Tie Memo Pad

Instructions:

Trace & cut all patterns onto corresponding Foamies.

Draw designs on tie with Galaxy markers.

Punch holes (2) through top of papers and 4" x 6" Foamies on the 4" side.

Slip one key ring into the punched holes. Do the same for the other side.

Center tie & glue. Add 2 dots of glue to the points of the triangle shapes on the long end. Do not glue the area near the hole. Paste onto the top of memo pad so you have upside down triangles. These are your shirt collars.

Optional:

You may also embellish with James Buttons and customize tie to reflect recipients hobbies & interests.

Supplies:

- 2 - 4" x 6" Foamie (color choice)
- 1 - 6" x 3" Foamie (color of tie)
- 1 - 2" x 4" Foamie (white)
- 1/4" Hole puncher
- 4" x 6" paper sheets for pad
- 2 Split key rings #46-2333
- Low temp Glue gun & sticks
- Galaxy Markers (color choice)
