KEIKI CRAFT

POST-IT NOTE HOLDER

SUPPLIES

- 4 in. x 6 in. Bent Acrylic Frame*
- 4 in. x 6 in. printed paper for backing
- Cut-out or photo smaller than the 4" x 6"
- 1 1/2 in. x 2 in. Post-it Note pad
- Aqua tube
- 2 qty. Pop Up Glue Dots
- 1/4 in. Double Stick Tape
- Optional - 15 in. of sheer 5/8 in. ribbon
- Pen

NOTE: You can use any size of Bent Acrylic frame; you'll just need to adjust the size for the paper inserts and other embellishments.

INSTRUCTIONS

1. Take the cut-out or photo and place on the 4 in. x 6 in. printed background paper, vertically.

2. Next place a post-it note on the printed paper below as necessary. Remove the post-it note and tape the cut-out in place.

3. Lay the bent acrylic frame down so that the bottom is at the top and the frame sits at an angle. Slide the printed paper with the cut-out into the frame.

INSTRUCTIONS CONTINUED

4. Tape the pad of post-it notes onto the frame below the cut-out.

5. Take the 2 Pop Up glue dots and place on the bottom of the frame, left side as shown.

6. Adhere the Aqua Tube to the glue dots. Place a pen inside for writing notes.

7. Optional - Tie a ribbon around the top for a finishing touch.
