## INSTRUCTIONS CONTINUED

5. Use the mini glue dots to paste on the moving eyes on the face below the hat. For the nose, you can punch out a 1/2" heart from the orange cardstock and cut in half. Or, just free hand cut a tiny carrot nose. Use a glue dot to paste under the eyes.

6. Use the black fine tip marker to draw circles under the nose for the mouth.

7. Take the red satin ribbon and tie around the stick below the face for a scarf. Use double stick tape or glue dots to secure.

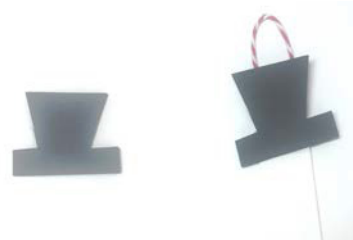

## INSTRUCTIONS

1. Paint one side and the edges of the Jumbo Craft Stick with the white acrylic paint. Let dry.

2. Tie the ends of the baker's twine together to form the hanger. Tape to the end of one side of the painted stick, this will end will be the top of the snowman.

3. Take the black foamie and cut into a top hat as shown.

4. Tape to the top of the craft stick, sandwiching the baker's twine in between

8. Use the fine tip black marker to draw in 3 buttons on the body below the scarf. You can also add the year or a name to personalize.

9. Hang the snowman up as an ornament or stick a bunch in a pot for a table top decoration.
